

ASSIGNMENT OF COPYRIGHT AND AUTHORSHIP FORM

.... /.../....

Title of the manuscript:

.....
.....

The purpose of this document is to transfer the copyright in the below-mentioned manuscript and all portions thereof (whether in printed, electronic or any other form now known or hereinafter invented) from the author(s) to Erciyes University, Faculty of Medicine publisher of The Erciyes Medical Journal.

1. The Publisher shall, upon determination of acceptability, publish a suitably edited and revised article. The author(s) shall receive no royalty or other compensation for use of the material contained in the manuscript. If the manuscript is not accepted, this agreement is automatically cancelled and all rights return to the author(s).

2. The undersigned author warrants the originality of the material in the below-named manuscript, that the copyright for the material has not been previously transferred or if the material has been transferred, permission has been obtained and a copy of the permission release will be submitted to the Journal. Each author hereby assigns and transfers exclusively to the Publisher all of his or her rights in the material whether in print, electronic or any other form now known or hereinafter invented) in the below named manuscript.

3. Rights to reproduce all portions of the material from the published manuscript are granted exclusively to the Publisher.

We hereby confirm that all named authors* in this manuscript have participated sufficiently in the conception and design of this work or the analysis of the data (when applicable), as well as in drafting the article or revising it critically for important intellectual content and final approval of the version to be published. We also declare that neither the article nor any essential part of it, including tables and figures, will be published elsewhere or have been submitted to another journal for publication without copyright or written permission of Erciyes Medical Journal. For the studies which involve humans, informed consent has been obtained from each of the subjects. Approval of the Ethics Committee of..... has been obtained prior to the study.

We have sent the manuscript via website (www.erciyesmedj.com)
